

## Female Residential Life Counselor

Tallulah Falls School seeks an eclectic and enthusiastic Female Residential Life Counselor with a desire to confidently influence middle school and high school youth. This position entails each weekend and two weekdays (3 p.m.-8 a.m.) per week. TFS has, at minimum, a break every six weeks.

The role model candidate will demonstrate gratitude, respect, empathy, accountability and trustworthiness – the same qualities we structure for our youth. Enjoying leading youth through the highs and lows of teen development is a must! Prior experience as a residential assistant in a university setting and/or summer camp counselor experience is valuable. The candidate must possess a Bachelor's degree as a minimum educational requirement.

TFS is a unique and growing day and boarding school that has been educating students in the scenic Northeast Georgia mountains for more than 100 years. Our 500 acres, proximity to the great outdoors, and 1.5 hour distance from the Atlanta area, allow for a multitude of educational, recreational, cultural and sporting opportunities. Those fortunate enough to influence young lives here also receive a stellar benefits package. Compensation for this position, depending upon qualifications and experience, ranges from \$32,500 to \$36,000, plus many fun activities for free.

If this is an atmosphere that you thrive in and want to help create, please send a resume and cover letter detailing specific experience and how you will help to continue making Tallulah Falls School an upper tier college preparatory school.
