WHY WE RIDE

Founded in 1909, Tallulah Falls School is a nationally recognized college preparatory school that is home to more than 550 students in grades five through 12. TFS students hail from Georgia, across the United States, and from 22 countries around the world.

The TFS Board of Trustees established the Twin Rivers Challenge to fund scholarships for motivated young students.

Many students in our community could not afford to attend TFS without substantial financial assistance. In fact, more than 70% of TFS students receive some portion of financial aid. TFS is at the forefront nationally in providing financial support. For the 2021-22 academic year TFS awarded more than \$4.7 million to deserving students.

Ride day is a team effort as the entire TFS community collaborates to stage this dynamic event. Dozens of volunteers, including students, faculty, staff, board members and fundraising committee members assist with support and logistics.

Join us as a sponsor of the eighth annual Twin Rivers Challenge cycling event as we raise funds to continue our school's legacy of success.
