

### ABOUT TFS ATHLETICS

The mission of TFS athletics is to develop GREAT character, competence, and competitiveness, to host GREAT events, and to create a Season of Significance. TFS participates in the Georgia High School Sports Association (GHSA), and offers 13 different competitive sports: baseball, basketball (boys & girls), bass fishing, cheerleading, cross country (boys & girls), eSports, golf (boys & girls), precision rifle, soccer (boys & girls), swimming, tennis (boys & girls), track & field (boys & girls), and volleyball. TFS has varsity, junior varsity, and middle school teams that play most of these sports. Many home games are broadcast live and available to watch on the [NFHS Network](#).

### HEAD COACHES

#### Justin Pollock – Varsity

### ACCOMPLISHMENTS

The baseball program features a varsity, junior varsity, and middle school team. The varsity team put together one of its top seasons in 2021 with a record 13 wins under first-year coach Justin Pollock, which included the team's first-ever state playoff appearance.

In the last ten years, the TFS varsity team has had a couple of players earn All-State recognition; Chathan Cloutre (2020) & Devon Mayfield (2010).

### COLLEGE-BOUND PLAYERS

The baseball program prepares athletes to be able to play at the next level. Eight players have gone on in the past to play college ball.

### FACILITIES & TRAINING OPPORTUNITIES

The program plays home games at the Higgins Baseball Complex on the Upper School campus. The varsity/JV field is 365 feet in the gaps, and the backdrop beyond the fence from center to right field is a rock staircase. The complex has an indoor hitting facility, and the brand new middle school baseball field sits back behind that. In 2021, the facility upgrades included state-of-the-art LED lighting, a rock staircase beyond center field, and a brand new MS baseball field. The season runs from February through May, and players have access to TFS weight rooms/fitness centers, and field and hitting facility access in the off-season.
