### FACILITIES & TRAINING OPPORTUNITIES

The TFS precision rifle program has an indoor rifle range, located on the bottom level of Federation Hall on the Upper School's campus. In 2020, TFS added ten new electronic targets to the range, helping precision rifle participants hone their visual and shooting skills. The season runs throughout the school year, with events from September and into April. Students have access in the off-season to the range and to the two TFS fitness centers/weight rooms.
