

TFS SWIMMING

QUICK FACTS

ACCOMPLISHMENTS

Several state qualifying swimmers including three individual State Championship swims. Regularly represented at state and multiple top-10 finishes there.

//

NEXT-LEVEL SWIMMERS

7 swimmers competed at the college level, including some at the D-1 level.

//

FACILITIES

The TFS swim team swims in the state-of-the-art Natatorium, consisting of 10 lanes and built in 2020.

//

HEAD COACH

Tamara Griffis: She has spearheaded the program since 2023-24, and oversaw the best season in program history as the girls came in 6th at state with a pair of individual titles, and the boys 8th at state.

PROGRAM HIGHLIGHTS

Tallahul Falls' swim program regularly competes for state podium spots in relays and individual events. The boys have posted 4 top-15 finishes at state as a team since 2019-20, and the girls have 3 top-10 finishes in a row, including 6th in 2023-24.

Three girls events resulted in state titles, and to date the program has prepared 7 swimmers to compete at the college level.

With a state-of-the-art facility like the TFS Natatorium, which consists of a 10-lane pool, Tallulah Falls is able to give its swimmers a huge advantage and access to the pool daily. The program also has a middle school team, which several times has won the GIAA MS State Championships.
