The soccer programs practice and play home games on the Upper School's campus at the Amick Athletic Field, built in 1955 and named after former football coach Hervey Amick, dedicated in 2015. The regulation soccer field has stadium seating and has a newly-renovated field house for athletes. The season runs from March through May, and all athletes have access to TFS weight rooms/fitness centers during the season and off-season.
