CYCLING EVENT FOR STUDENT SCHOLARSHIPS

TALLULAH FALLS SCHOOL
SATURDAY, OCTOBER 28, 2017

Twin Rivers Challenge
Tallulah Falls School
P.O. Box 10
Tallulah Falls, GA 30573

The Twin Rivers Challenge was created by the TFS Board of Trustees to provide scholarships for motivated young students.

Founded in 1909, Tallulah Falls School is a nationally-recognized college preparatory school that is home to more than 500 students in grades 5 through 12. TFS students hail from Georgia, across the United States, and from 18 countries around the world.

Many students in our community could not afford to attend Tallulah Falls School without substantial financial assistance. In fact, more than 70% of TFS students receive some portion of financial aid. TFS is at the forefront nationally in providing financial support. For the 2016-17 academic year TFS awarded nearly \$3 million to deserving students.

The Twin Rivers Challenge was created by the TFS Board of Trustees to provide scholarships for motivated young students.

Ride day is a team effort as the entire Tallulah Falls School community comes together to stage this dynamic event. Coaches and players man support stops and faculty and staff members are joined by board members, parents and community volunteers to assist with logistics and support functions.

We hope you will carefully consider sponsoring the third annual Twin Rivers Challenge cycling event as we raise funds to continue our school's legacy of success.
