Guide to Game Day Protocol

(Last revised 11-6-20)

Welcome FAMILIES! We are glad to be able to host athletic events and glad to have you as a part of it! In an effort to promote the safety of everyone in our facility during sporting events, our protocol will duplicate our protocol during the school day.

- **All spectators are required to wear a face-covering in the gym.**
- **For contact tracing purposes, the coach of your son/daughters team will ask you for a list of those family members who may accompany you to each TFS home game.**
- All fans will be required to complete a temperature screening upon entering the gym lobby and will be allowed entry only if showing no symptoms of being sick.
- Follow the entry and exit paths, reduce travel, and please do not congregate inside or outside the gym or lobby.
- Please adhere to physical distancing requirements in spectator areas.
- TFS is a tobacco-free campus.
- Restroom spacing allows for two at a time.
- All bench personnel to include players not actively playing are requested to wear a face covering when not able to have physical distance
- **To accomplish the task of physical distancing in our bleachers, we ask that spectators for the JV Girls, JV Boys, or Varsity Girls game respectively take steps to leave the building in a reasonable time following the conclusion of the respective game they're attending. Likewise, we ask that spectators for the team playing next to please wait until the preceding game is over and the gym has been cleared prior to entering the building.**
